AI TRANSFORMATION & STRATEGIC GOVERNANCE

DATE & TIME
10 APR 2026 (FRI)
3:30-5:00PM

🧑‍🎓 Ready to lead AI transformation in your organisation while building a robust governance framework? Join us for this exclusive 90-minute deep-dive session!

Event Highlights ✨

Designed for Corporate Executives, Department Heads, and Compliance Officers, this session empowers you to balance rapid AI innovation with risk management — protecting your organisation's "Black Oil" (data assets) while enhancing operational efficiency. 🛡️

Learning Outcomes:

- ✅ **Understand the AI implementation framework** to identify high-value AI opportunities within your department and organisation
- ✅ **Visualise the latest AI tools** for campaigns, automation, and daily operations
- ✅ **Establish "Human-in-the-Loop" protocols** to prevent AI hallucinations and ensure accountability

Agenda (90 Minutes):

① Phase A: Awareness & AI Possibilities (10 mins)

- Case Study: Reducing 10 hours of manual work per week into automated workflows
- Enterprise POC (Proof of Concept) logic: A 6-week roadmap to validate AI value

② AI for Corporate (40 mins)

- Practical AI: Usage of latest AI tools (NotebookLLM, Manus, Gemini, Copilot, etc.) for campaigns and automation
- Professional AI Manners: Effective tips on how to utilise AI results
- Data Security: Protecting corporate information from leakage into public LLMs

③ AI Governance & Human-in-the-Loop (30 mins)

- Establishing an internal AI Policy: Guidelines for tool usage and monitoring
- Implementing "Human-in-the-Loop" oversight to ensure output quality
- Legal & IP: Navigating copyright issues and the risks of AI-generated content

④ Closing & Strategic Roadmap (10 mins)

- Setting priorities: Defining what to sponsor and what to monitor
