1150-1200 Open to Log-in Zoom
1200-1235 Sharing
1235-1245 Q&A

As AI continues to reshape the workplace, understanding its practical applications and cultural impact is essential for HR and Learning & Development leaders.

We are honored to feature **Ben Fung**, Senior Associate Director of Information Technology and Solutions at **Chinachem Group**, who will share firsthand insights into the current state of AI adoption within a major corporate environment.

This 45-minute session will move beyond theoretical discussions to explore the real-world implications of AI on human roles and organizational culture.
